

Healthy food options in a comfortable, friendly setting.

Dining at Fairwood Village

Dining at Fairwood Village combines a delicious array of healthy options for the evening meal. The comfortably decorated dining room offers open seating, a favorite for residents and their guests. From delicious soups to salad bar, residents choose their desired entrée for the evening. Professional servers complete the dining experience. Monthly menus, boxed dinners or tray service are available for resident convenience.

A selection of beverages and fine desserts are available upon request. Fairwood Village celebrates residents' birthdays and anniversaries once a month with a steak dinner as well as a midday theme luncheon complete with entertainment and cake in our Garden Mall.
