

THE MALLON TREE OF GIVING

Once again we will have a "Giving" Tree
displayed in the Garden Mall from

**Tuesday, December 5th
to Wednesday, December 20th.**

This tree will have names of the low-income adult residents of the Spokane Mallon House. Each year our residents pick a name off the tree and labeled in the back of each tag is listed a inexpensive gift that they would like for Christmas.

The Mallon House would like to thank you for the past years of generous giving, and wish you a very Merry Christmas and a Happy New Year!

Please either pick out a name tag purchase the gift or just donate money to help in the purchase of a gift. All donations and gifts purchase should be dropped off at the office. Once again,

Thank You!
